YAZAN ALHASSANAT

FULL-STACK DEVELOPER

+962796368214 yazanhassanat@gmail.com /in/yazanalhasanat/

ABOUT ME

Full-Stack Developer experienced in building interactive web applications, educational platforms, and content management systems using React, Next.js, Node.js, and MongoDB. Skilled in creating responsive interfaces, developing backend functionality, integrating APIs, and improving application performance and accessibility.

WORK EXPERIENCE

BYTECH | Feb 2026 – Present

Full-Stack Developer

- Built interactive educational books and activities using React, with responsive multimedia and dynamic learning components.
- Developed BookPlatform with student, teacher, and admin systems, and built the BYTECH portfolio website with a full CMS/admin dashboard for controlling website content.
- Worked on AIM, a Next.js/Node.js printing-services platform, while handling feature development, debugging, responsive design, and ongoing system improvements.

Live Projects: AIM | BookPlatform | Interactive Books | BYTECH Website

Al-Istiqrar | Nov 2025 – Jan 2026

Full-Stack Developer Intern

- Maintained and enhanced an existing medical clinic management system built with React, Node.js, and MongoDB.
- Updated UI components, implemented new features across clinic modules, and resolved frontend/backend issues.

EDUCATION

Meraki Academy | May 2025 – Oct 2025
Full Stack Web Development
500+ hours of intensive full-stack development training covering React, Next.js, TypeScript, Node.js, Express, MongoDB, PostgreSQL, REST APIs, authentication, and deployment.

Jordan University of Science & Technology | Sep 2016-March 2021
Bachelor of Engineering
GPA: very good

SKILLS

TECHNICAL SKILLS:

- Frontend: React.js, Next.js, TypeScript, JavaScript (ES6+), HTML5, CSS3, Material UI, Responsive Design
- Backend: Node.js, Express.js, RESTful APIs
- Databases: MongoDB, PostgreSQL
- Development: API Integration, Authentication, JWT, Debugging, Component-Based Development, CMS & Admin Dashboards
- Tools & Platforms: Git, GitHub, Postman, Vercel, Render, Cloudinary
- Other: Responsive UI Development, Interactive Web Applications, Agile Development, Problem Solving

Soft Skills:

Teamwork & Collaboration, Communication, Time Management, Adaptability, Attention to Detail
